Docket No. 2008-326-C

Along with its application in this proceeding, Time Warner Cable Information Services (“TWCIS”) filed a motion for protective order to protect the confidentiality of its 2007 Annual Report which was filed as an exhibit supporting the application. Fort Mill Telephone Company, d/b/a Comporium Communications (“Fort Mill”) has intervened in the proceeding and filed a memorandum opposing the motion. TWCIS now files this reply memorandum modifying and narrowing the scope of its motion for protection.

In April 2008 TWCIS filed three copies of its 2007 Annual Report with the Office of Regulatory Staff. At that time TWCIS requested that Schedule 7 of the report be treated as confidential and proprietary. TWCIS now amends its motion for protective order to seek protection only for Schedule 7. Schedule 7 contains information on how many South Carolina access lines are served by TWCIS. This Commission has at least twice ruled that information contained in Schedule 7 is confidential and proprietary and appropriate for protection pursuant to the relevant provisions of the Freedom of Information Act, specifically S.C. Code Ann. Section

30-4-40(a)(1). See Order Granting Home Telephone Company, Inc.'s Motion for Confidential Treatment, Order No. 2008-390, in Docket No. 2008-184-A; and Order Granting PBT Telecom, Inc.'s Motion for Confidential Treatment, Order No. 2008-391, in Docket No. 2008-184-A.

The information contained in the TWCIS Schedule 7 is, of course, exactly the same type of information contained in the schedules of Home Telephone and PBT and should be protected in the same fashion. In addition, counsel for TWCIS has offered to produce to counsel for Fort Mill a full version of the 2007 Annual Report (with Schedule 7) under an appropriate confidentiality agreement or protective order. Production of the document in that manner (as is customary in proceedings before this Commission) will fully protect the ability of Fort Mill to have access to the confidential information for litigation purposes while protecting the legitimate interests of TWCIS in maintaining the confidentiality of its trade secret information.

For the foregoing reasons TWCIS requests that the Commission issue an order granting protection for Schedule 7 to the TWCIS 2007 Annual Report and only requiring the production of Schedule 7 under an appropriate confidentiality agreement.

Dated this 26th day of September, 2008.
